

Albuquerque Chapter, Unit #6100, of the
National Association for the Advancement of Colored People
In Our 99th New Mexico Year!

A Letter from Our President

On the Occasion of our First General Meeting, on January 8, 2011

Welcome!

This is my first opportunity to embrace each of you as your new President of the Albuquerque Chapter, Unit #6100. My fellow officers and board members are eager to shine light upon our Chapter, and from our Chapter to affiliates all across the country.

Just like Jesse Jackson, John Lewis, Julian Bond, and thousands of other champions for the cause of Civil Rights, we have never quit. In 99 years your local NAACP Chapter has impacted history in innumerable ways. Yet, today's new world is fraught with inequities in new shapes, but with old faces.

In Philippians Ch. 3:17, Paul writes . . . *"Join together in following my example, brothers and sisters, and just as you have us as a model, keep your eyes on those who live as we do."*

We must never lighten our grasp of the multitudes who suffer injustice without known redress, regardless of the millennia's number.

The Least, the Lost, and the Left Out
will find comfort within our doors, a listening ear in our presence, and a commitment
of swift action to their concerns.

Join us! Be a part of the victorious NAACP!

Rev. N. Darnell Smith, President
